It is essential that the enclosed registration form is fully completed and returned to Helen Vaughan Graham. If you change any of these details during the season, please let your team captain or Secretary know. It is important that the database is kept up to date for distribution of information and newsletter purposes.

If you could let your last season's team captain know of your availability for matches during September, this would be a great help. Thank you.

Here's to a successful season ahead.
